Henry Nxumalo (a.k.a. Mr Drum).
Photo by Jürgen Schadeberg, www.jurgensshadeberg.com. Nxumalo, originally a sports writer, became a courageous and pioneering African investigative journalist, who fought to expose injustice, cruelty, and narrow-mindedness under Apartheid. He was murdered while working on a story about a white doctor who was performing illegal abortions that had resulted in many deaths. Special thanks to Jürgen and Claudia Shadeburg.
