

INTERNATIONAL ASSOCIATION  
FOR LITERARY JOURNALISM STUDIES

The International Association for Literary Journalism Studies is a multidisciplinary learned society whose essential purpose is the encouragement and improvement of scholarly research and education in literary journalism (or literary reportage). For the purposes of scholarly delineation, our definition of literary journalism is “journalism as literature” rather than “journalism about literature.” Moreover, the association is explicitly inclusive and warmly supportive of a wide variety of approaches to the study and teaching of literary journalism throughout the world. The association’s web address is <http://www.ialjs.org>.
